Thanks to a HOWTO grant from OHSU we are able to offer this training, valued at \$2,000, free of charge!

We are gladly **taking donations** so we can continue to offer these training opportunities in the future after our HOWTO funding ends in 2022.

Oregon Community Health Workers Association will use the “We Are Health: A Capacity Building Curriculum for Community Health Workers”.

The curriculum was designed by leadership from the former Community Capacitation Center (CCC) over the course of more than 25 years of working with community health workers worldwide. It has been approved by Oregon Health Authority's Traditional Health Worker Commission as an approved training program for CHWs in Oregon.
